

Service Agreement for CCTV Installation

This Service Agreement ("Agreement") is made and entered into between AetherIO IT Solutions ("AetherIO") and Claret School of Lamitan ("CSL"), on September __, 2023.

1. Scope of Work and Installation:

AetherIO agrees to provide comprehensive CCTV installation services to CSL in accordance with the terms and conditions outlined in this Agreement and the specifications set forth in the "CCTV Package C Quotation" provided by AetherIO. The installation process encompasses mounting, wiring, thorough configuration, and comprehensive testing of the CCTV system at CSL's premises situated at Rizal Avenue, Lamitan City, Basilan. By entering into this Agreement, CSL grants AetherIO's qualified personnel necessary access to its premises to execute the installation tasks.

AetherIO commits to completing the CCTV installation within mutually agreed-upon timeframes, primarily on Saturdays and Sundays or during times when the school premises are unoccupied by students. The installation will be carried out professionally, ensuring the system's full functionality and operational readiness.

2. Payment Terms:

CSL agrees to make the full payment of ₱89,500 for the CCTV installation package. Payment shall be made in cash or by check, with checks not being post-dated for a period longer than 7 days. An initial down payment of ₱40,000 is due upon the signing of this Agreement. The remaining balance of ₱49,500 shall be settled upon the successful completion of the installation.

3. Modifications and Adjustments:

In the event of scope modifications due to specific client requests or when deemed necessary for the success of the installation, CSL acknowledges that such changes may require adjustments to the total amount specified in the quotation. AetherIO will communicate these adjustments to the client for prior approval before implementation.

4. Warranty and Technical Support:

AetherIO offers CSL a 1-year warranty, commencing from the completion date of the CCTV installation. This warranty encompasses rectification, repair, or replacement of malfunctioning equipment or components within the warranty period. AetherIO further provides technical support for addressing system-related issues during this period.

Notably, this warranty does not extend to damages arising from vandalism, misuse, negligence, unauthorized modifications, or external factors such as natural disasters or power surges.

5. Governing Law:

For matters not expressly addressed in this Agreement, the relevant laws of the Philippines shall govern the interpretation and enforcement of the terms herein.

6. Contact Information:

For all inquiries, questions, and warranty services, CSL may reach out to AetherIO IT Solutions through the following channels:
